KEON PARK CRICKET CLUB

PRESIDENT:

TREASURER:

SECRETARY:

TO THE MEMBERS, KEON PARK CRICKET CLUB:

LADIES AND GENTLEMEN,

The Committee of Management have much pleasure in submitting for your approval the 31st Annual Report with the Financial Statement for Season 1981 - 82.

We extend to all, our appreciation for your support given throughout the year.

PRESIDENT

New President, Mr. Greg Smith has proved that he is capable of leading the Club and maintaining our place as one of the top Jika clubs. It has been a difficult year, but because of Greg's attitude towards success, and the support he has received from the Committee we have been able to improve on almost all aspects of the clubs activities.

TREASURER

New Treasurer, Mr. Geoff Baker has filled this important position in Club administration with a high standard of efficiency. We thank Geoff for his devoted service.

SOCIAL SECRETARY

New Social Secretary, Mr. Lance Midgley with the help of many ladies in the Club, organised a number of functions during the year, however, unfortunately they were attended by the same old faces in the club. We appreciate Lance's efforts along with the Ladies rostered during the year and look to improvement in attendance in the new season.

PROPERTY STEWARD

Once again our Property Steward, Mr. Ian Giddons carried out his duties tirelessly and efficiently. As you all know the cost of equipment is a major item of Club expenditure and Ian ensured that he spent within our budget. Thanks to Ian for his devoted efforts.

COMMITTEE

Thanks to the Committee for their co-operation and help they have given throughout the season.

.....

PRESIDENT:

TREASURER:

SECRETARY:

KEON PARK CRICKET CLUB

PRESIDENT'S REPORT

SEASON 1981/82

To the members :

My Committee and myself were extremely satisfied with the success that the Club enjoyed during 1981/82, both on and off the field.

At the beginning of the season the Club had been hard hit by the retirement of many leading players and numbers generally were well down. This gave the opportunity for a number of younger players to prove themselves worthy of playing at a higher level.

It is history now that we were again able to win the A Grade Premiership. Although many outsiders will no doubt see that Premiership win as just another one for Keon Park's already imposing record, I believe that it had special significance in the Club's history as the contribution from the younger players was outstanding and the emergence of this younger talent has laid the groundwork for our Club's future success. I am now sure Keon Park need not fear the slump that many other sides would experience as older, key players retire.

Of the remaining teams only the Fourth XI was able to reach the finals however they were eliminated in the semi final.

The talent that exists at all levels of the Club will ensure the continued on-field success of the Club.

Off the field the 1981/82 season was notable for many reasons. I am sure everyone associated with the Club would agree that the closeness that has typified Keon Park was never more evident than during this season, particularly after a difficult start. Socially the season was an outstanding success and I believe my Committee deserves the highest praise for the amount that was given back to the members - something the Club has been criticised for in the past.

1981/82 saw the introduction of a Player Incentive Scheme, which was designed to give every member the opportunity to participate. This was an outstanding success and will be continued on a similar basis in 1982/83.

The season was also notable for the introduction of Club sponsorship as a major source of revenue. In excess of $1,620.00 was raised from sponsorship and with continued effort the Club can look forward to further success in this field in future years.

KEON PARK CRICKET CLUB

PRESIDENT:

TREASURER:

SECRETARY:

Although my Committee was unable to secure a definite confirmation that the Club would be granted occupancy of the Johnson Street pavillion, construction of which has recently commenced, the Preston City Council did verbally indicate during the year that it expected that Keon Park would be allowed to occupy this pavillion. Negotiations are still proceeding and we are very hopeful the 1982/83 season will finally see the Club in its own permanent premises.

Congratulations go to Ross McKenzie who in his first season as Club Coach, was successful in attaining for the Club the highest success, an A Grade Premiership and also for personally taking out the Jika Medal, the first Keon Park player to do so since its inception.

Congratulations also to Casey Radcliffe who was awarded Life Membership of the Jika Association, in recognition of his outstanding services.

I would like to convey my special thanks to my Committee which was enthusiastic and very hardworking.

I would like to take this opportunity, at the completion of my term of Presidency, to wish the incoming Committee, the new Coach, Ray Shaw and the players, every success for the 1982/83 season.

.....

Greg Smith
PRESIDENT.

KEON PARK CRICKET CLUB

TREASURER'S REPORT

Members -

Once again the Club has, with the aid of the interest received on its investments, been able to operate profitably. This was only possible through a LOT of work being done by a FEW (we can be comforted by the fact that the FEW are gaining in numbers and hopefully this trend will continue). To those FEW I thank you for your help and assistance during the season.

The major benefits which came out of the 1981/82 season include :-

(a) The introduction of the INCENTIVE SCHEME. This was well received and judging by the comments made during the season, it was extremely successful. It is anticipated that the scheme will continue for the 1982/83 season (with minor amendments);

(b) The introduction of the local business directory (sponsorship) which raised $1,620. Without the funds raised through this activity, the Club would have had a disastrous year. This aspect of the Club's activities must be continued if it is to remain a force in the competition in the coming years, and

(c) The extent of general benefits passed on to you, the members, by the Club. The Club has been criticised in the past for taking and not giving a great deal in return. I believe that this situation was rectified during the 1981/82 season and hopefully will continue to do so in future seasons.

However, I wish to finally say that the Club will not be in a position to give continually if you, the members, do not put in around the Club. I firmly believe that if we ALL do not get together off the field, as we do so well on the field, the Club will, over a period of time, be unable to retain its high standing in the area and Jika competition.

COACHES REPORT:

Season 1981/82 was another successful year for Jika's most successful Club, Keon Park. The First Eleven premiership took its record to twelve flags in the twenty years that they have been in 'A' Grade. It was also pleasing from a personal point of view as coming into a new Club can be very difficult, but I was made very welcome and for this I thank everybody.

The First Eleven, as I said, won the premiership. It was done by a team effort, not only in the finals, but throughout the year, with all members having their moment of glory at some point or another.

Particularly pleasing also was the fact that many inexperienced players had a touch of 'A' Grade cricket, both during the season and in finals and this should stand both them and the Club in good stead for the future.

The Second Eleven missed the finals and this was due, more than anything to the many weddings which beset the Club during the season. There were again many notable performances but unfortunately there were few players who were able to put pressure on the First Eleven members to earn a place in the top side.

The Third Eleven had a very disappointing year - in some games made large scores only to let themselves down in the next game by failing. There were also problems in fielding a side each week and they often suffered by being short or having players rushed to the ground to make up the side.

The Fourth Eleven made the finals but unfortunately were beaten in the semi by a better side on the day. This was an extremely good performance as the side was made up of predominantly junior players who had already played for three hours in the morning. I don't like mentioning names but particular credit must go to Ian Giddons for the great results he achieved with this team.

The Under 16 side was probably the best side in their grade on paper, but were unfortunately very disappointing in the finals to be beaten in the semi. However, by persistence and application each member of this side is able to improve his game, particularly in consistancy and should have a bright future in front of them.

The Under 14 side finished outside of the four but this was due more to their inexperience than anything. Many members have more time in this under age side and will naturally improve with age and experience.

Even though cricket is a team game and a good team will always beat a team of good individuals (which is the reason the First Eleven won the flag) I would like to congratulate all members of the Club who won trophies, to the Administrators of the Club who run the best organised JuniorClub in the business, the ladies for their work with teas etc. through the year, and to the members who make Keon Park as successful as it is.
